

Read the following passage and write the News Report based on it.

Title: Collision on National Highway Results in Multiple Injuries

Date: July 29, 2024

First Line: On Monday night, a severe accident occurred on the National Highway when a goods truck and a car collided around 11 p.m.

Paragraph: On Monday night, a big truck and a car had a serious crash on the National Highway, making both vehicles damaged. The road was blocked for over an hour because of the accident. It looks like one of the drivers might have fallen asleep at the wheel. Emergency workers came quickly to help everyone. The car had a family of four—Madhavana (65), Nalini (62), Rajesh (35), and Neena (27)—inside. They were hurt badly, with the parents having broken bones and the kids being badly injured. The truck driver was also hurt with broken bones. Everyone was taken to the hospital to get better. To help with safety, more police officers are now watching the area, and they are checking camera footage to see if any traffic rules were broken.

Conclusion: The authorities are focusing on ensuring road safety and preventing future accidents, while the injured individuals continue to receive medical care.
